## *A Little Fellow Follows Me*

*- Lee Fisher*

A careful man I want to be,  
A little follows me;  
I do not dare to go astray,  
For fear he'll go the self-same way

I cannot once escape his eyes,  
What'er he sees me do, he tries;  
Like me he says he's going to be,  
The little chap who follows me.

He thinks that I am good and fine,  
Believes in every word of mine;  
The base in me he must not see,  
The little chap who follows me.

I must remember as I go,  
Through summer's sun and winter's snow;  
I am building for the years to be  
That little chap who follows me.
