CUB SCOUT PACK 791 – CELEBRATING 51 YEARS IN SCOUTING

September 2006

Gary Floto, *Cubmaster*
Will Meyers, *Asst. Cubmaster*
Terry Ball, *Principal Hampstead Elementary*

www.Pack791.com

Our Pack has been asked by the PTA at Hampstead Elementary to fix up the garden around the sign in front of the school. This is an exciting opportunity for us to give back to the school (as we are permitted to use the school for our meetings free of charge).

We will have a work day on Sunday, October 15th at 2PM. We will clear out old, dead plants and trim the ones that will stay. We will put down new mulch and plant some fall flowers and plants. We will also weed the other flower beds.

Please come in old clothes with any gardening tools you have (shovels, gloves, trowels, watering cans, rakes, etc.) Bring along drinking water. I'm guessing the initial clean up will take a couple of hours, but feel free to come and go as your schedule permits.

After this initial clean up, each Den will be assigned a month to go to the school and weed the gardens (the one in front of the sign and the gardens along the front of the building).

I plan to call several nurseries to see if they will donate mulch or flowers for fall. If anyone has any contacts, let me know.

Please put Sunday, October 15th on your calendar now. This will be a fun way to give something back to our host school.

Give me a call or e-mail me if you have any questions.

Thanks,
Carrie
